

WEARY

So weary I'd grown in the battle of life
And I longed for the blessings of rest,
"Not so!" said the Master
"Thy work is not done
Fresh burdens will give thee new zest."

So into my hands grave work he sent
And joy crept into my heart
That in a world of labor
I yet was to do a part.

Banished La Grippe Coughs

Lewis Newman, 506 1/2 Northland St., Charleston, W. Va.: "I am glad to tell you that Foley's Honey and Tar is the best remedy for lung trouble I have ever used. I have been down sick ever since January and nothing would do me any good. I was full of cold. I had the grip all winter until I got two bottles of Foley's Honey and Tar. I used 1 1/2 bottles. I am glad to say I can't feel any more cold in my chest."

Foley's Honey and Tar Compound gives prompt relief from coughs, colds, hoarseness, tickling throat, whooping cough, croup, bronchitis and bronchial congestion.

STOCKHOLDERS MEETING QUAY COUNTY DEVELOPMENT ASSOCIATION

Notice is hereby given that the Quay County Development Association, a corporation, will hold its annual meeting December 27, 1919, at office in Tucumcari, N. M., for the purpose of electing officers and directors for the ensuing year and all business that may come legally before the company.

GEO. MINDEMAN, Sec'y.
Dated December 17, 1919.

Last week a young lady advertised in the News that she had lost her boa. Well, within two days she came in and said the News found her boa and she was almost tickled to death. The boa was of the feather variety and a very necessary article during the winter months. There are other kinds of beaux but the young ladies do not have to advertise for them. The idea desired to convey is that News ads bring results when you really have something you want to find or sell as the circulation of this paper is far greater than any other in Quay county and circulation is what the wise advertiser demands.

I have 320 acres of land near Cuervo I wish to lease to a company that will drill. If you want it write me at Darwin, Okla. W. S. DOSS.
